Scope Of Work

The work embraced herein shall include

1. The construction of a detour trestle.

2. The removal of the existing structure.

3. The construction of a new bridge and the construction and protection of the embankment approaches thereto.

RIGHT-OF-WAY.

Right-of-way required in this improvement will be procured by the County in which the same may be located.

MAINTAINING TRAFFIC.

Aside from the cooperative construction of the detour trestle each county will maintain traffic within its own boundaries.

Funds.

The cost of the project as outlined will be shared equally by each county.

Island County will pay unto the Treasury of Snohomish County the sum of $7000, within thirty (30) days from the date of this agreement. Upon completion of the project Snohomish County will submit to Island County a detailed statement of the total cost thereof. Sould one-half of such total cost be less than $7000, Snohomish County will refund any balance due Island County, or should one-half of such cost exceed $7000, then Island County shall pay to Snohomish County such excess.

IN WITNESS WHEREOF, the parties hereunto have executed this agreement the day and year first above written.
