jurisdiction of the County Commissioners or the County Engineer over such public streets, malleys, highways, public places or their extensions, or any part thereof, nor in any manner affect the power of the Board of County Commissioners or County Engineer to order all necessary changes or repairs in the water pipe lines, mains, structures or equipment in the interest of public health or safety.

SECTION VI

That said grantee herein shall be deemed to have forfeited all right and privilege to the claim of franchise hereby conferred and granted unless said grantee shall within sixty (60) days after the granting of this franchise, file with the Board of County Commissioners of said county, his written acceptance of the right, authority and franchise hereby conferred, subject to all the terms, conditions, stipulations and obligations herein contained, and in case of his failure so to do, this grant shall be null and void and of no force and effect whatever.

SECTION VII

That at least ten (10) days notice shall be given to the office of the Island County Road Engineer of all work or installations to be made under authority of this franchise. Such notices shall show the location of such work or installation, what it is to consist of, and shall require consultation and approval of said Engineer before such work or installation is undertaken.

Done in regular session at the County Courthouse in the City of Coupeville, Island County, by the Board of County Commissioners this 4th day of February, 1952.

County Commissioners of Island County,
State of Washington.

ATTEST:

Clerk of the Board of County
Commissioners of Island County,
Washington.
