Section 10. The granting of this franchise shall place no obligation upon the County Road Engineer and/or the County Commissioners to warrant or defend the rights hereby granted.

Section 11. In constructing, operating, maintaining and repairing said 6" or smaller pipe lines, the holder shall conform to any requirements made by the County Road Engineer, or any County Department or officers authorized to supervise and regulate such work and utility for the protection and safety of the public.

Section 12. The construction that is authorized through the granting of this franchise shall be commenced within one (1) year from the date hereof; otherwise the franchise shall be null and void and terminated upon notice as provided by law.

Section 13. This franchise is granted under the provisions and subject to the conditions and requirements of Chapter 53, Session Laws of the State of Washington for the year 1937, as amended.

Section 14. No assignment or transfer of this franchise in any manner whatsoever shall be valid nor vest any rights hereby granted until the County Road Engineer shall have been furnished with written evidence of such transfer or certified copies thereof, together with written acceptance of the terms of the franchise by the Assignee; and unless and until the County Commissioners shall have granted their consent in writing to such assignment or transfer. Failure to comply with this provision shall be cause for cancellation as herein provided.

Section 15. The holder shall, within twenty (20) days from receipt of a copy of this order, file with the County Road Engineer at Coupeville its written acceptance of the terms and conditions of this franchise.

DATED this 3 day of July, 1961.
