nature or franchises for other public or private utilities over, along, across, under and upon any of the streets, avenues, alleys, roads, orpublic places as herein enumerated, and shall in no wise prevent or prohibit the County of Island using any of said streets, roads, etc., or affect its jurisdiction over them or any part of them, with full power to make all necessary changes, relocations, and repairs and maintenance, etc., of same as they deem fit.

TENTH: All the provisions, conditions, regulations, and requirements herein contained shall be binding upon the successors and assigns of the grantee and all privileges of the grantee shall inure to successors and assigns equally as if they were specifically mentioned wherever the grantee is mentioned.

If the grantee, his successors or assigns, shall wilfully violate, or fail to comply with any of the provisions of this grant, or through wilful or unreasonable neglect fail to heed or comply with any notice given the grantee under the provisions of this grant, then the said grantee, his successors or assigns shall forfeit all rights conferred hereunder and this franchise may be revoked or annulled by the Board of County Commissioners.

ELEVENTH: In consideration of the granting of this franchise by the grantor to the grantee, the grantee for himself and his assigns hereby contracts and agrees to save Island County harmless from any liability of whatsoever nature arising out of any damage and/or destruction done or suffered to be done to grantee's water mains, valves, pipes or other fittings of whatsoever nature placed upon, along, or under the county road right-of-way or to any other person or property injured or damaged as the result of the use or occupation of any part of the county road right-of-way by grantee under the terms of this franchise. This paragraph shall be construed to mean that the grantee accepts this franchise and any rights conferred thereunder for the use and occupation of any portion of the rights-of-way, at his own risk, and agrees to assume responsibility for any damage occasioned to grantee or to any other person by grantor in the maintenance and/or construction work performed by grantor upon the roadways described above which would not have occurred but for the presence on said roadways of the grantee's pipes or other property mentioned above.

TWELFTH: If at any time the County of Island shall install a line of pipes for sewage and drainage upon any of the streets, avenues, alleys, county roads or public places herein described, the grantee upon written notice by the County of Island shall temporarily remove his line of water pipes during said installation and replace same.

THIRTEENTH: If within sixty (60) days after granting of this franchise the grantee herein shall have failed to sign its written acceptance of same then the herein granted rights and privileges shall be deemed forfeited and be declared null and void.
