That each of such notices was posted on each public road and highway or parts thereof above specified, in a conspicuous place, either on a telephone pole, a stump, a tree or fence post situated on each public road and highway so posted, and adjoining the traveled portion thereof.

That each and every one of the notices published and posted as aforesaid contained the statement of the name of the applicant and the description of the public roads and highways for which application is made, (being the public roads and highways hereinbefore described in this Order) and the time and place fixed for the hearing. That in and by each of said notices all persons desiring to be heard in the matter of said application were thereby notified to be present at said time and place so fixed for such hearing, and were furtner notified that such hearing could be adjourned from time to time by order of this Board, and that at such meeting or any adjournment thereof, and after such hearing, this Board would take such action with reference to said application as this Board might deem to be for the public interest.

All of which more fully appears from the said Affidavit of the said J. W. Libbey, as Auditor, filed herein on the 6th day of August, 1953.

That from the affidavits aforesaid and from all of the records and files and other proofs in this proceeding, it is expressly found by this Board that due, legal, sufficient and timely notice has been given by the County Auditor in all respects as provided by law and the Order of this Board, so as to fully authorize this Board to hear and grant said application.

That thereupon a hearing of said application and of all persons desiring to be heard in the matter of said application was duly had before the Board at the time and place fixed therefor by the Board, being the time and place as stated in the notices published and posted as aforesaid.

And now after such hearing and while duly convened in regular session at the time and place aforesaid, and at such meeting, the following Resolution and Order is unanimously adopted and passed by said Board of County Commissioners, to-wit:

That it is found by this Board that the applicant, Puget Sound Power & Light Company, is a public service corporation, organized and existing under and by virtue of the laws of the State of Massachusetts and authorized to transact business within the State of Washington; that it is an "electrical company" conducting an "electric plant" within the meaning of such terms as defined by Chapter 117 of the Session Laws of the State of Washington for the year 1911 and Acts amendatory thereof and supplemental thereto, and being authorized among other things to own franchises and privileges relating to the distribution of electric current for light, heat and power purposes; that it is the owner of certain franchises and privileges relating to the distribution of electric current for light, heat, power and other purposes in the incorporated cities and towns of Oak Harbor, Coupeville and Langley, Island County, State of Washington, and in portions of Island County, State of Washington, outside of any municipal corporation, under the provisions of which franchises it is required to sell, and furnish electric power, heat, light and electric current within the cities and towns of Oak Harbor, Coupeville and Langley, Island County, Washington, for municipal purposes, and within portions of Island
