RESOLUTION NO. SW-06-89 RELATING TO USE OF RECYCLED PAPER BY COUNTY DEPARTMENTS FOR LETTERHEAD

Larry Kwarsick presented the resolution which originally indicated solely an action on the part of the Board to direct departments of Island County to use recycled paper for letterhead and added to that since the department head meeting, an encouragement for departments to participate in an office paper recycling program. The Solid Waste department representative has communicated with all departments and provided information in this regard. Responses have been received from the Health Department, District Court Probation, Building Department, and Assessor.

As part of understanding the importance of using recycled paper Mr. Kwarsick noted comes the other side of the coin, disposal of paper. Island County does pay its own weight at the landfill. The local printer has a lower printing cost and the bottom line is that the recycle paper letterhead is about 1/2 cent more per sheet that currently experiencing. Solid Waste department will coordinate the acquisition of the recycle material. Computer paper, copy paper, envelopes cannot be demonstrated this close of a cost comparison at this time.

H. O. Arnold, Island County Assessor, supported the resolution and suggested all departments recycle.

Commissioner Colby moved approval of Resolution No. SW-06-89 substituting the word "correspondence" for the word "letterhead". Motion, seconded by Commissioner Koetje, carried unanimously.

INTRODUCTION: DIRECTOR, COMMUNITY ALCOHOLISM AND DRUG SERVICES, RECOVERY NORTHWEST

Paul McBeth, Ph.D., Director, Community Alcoholism and Drug Services, Recovery Northwest, was introduced to the Board and members of the Press. Mr. McBeth has now been coming to Island County for a little over a month, one or two days a week, reviewing those areas that appear to need additional and/or improved services. Current service appears good in areas dealing with court clients and basic services, but additional needs exist for outreach services. Mr. McBeth has a local phone number and 24-hr pager. He will be on call 24 hours per day with the hospital, police and sheriff, and expressed interest in providing training to jailers and front-line Sheriff deputies in substance abuse concepts and how to use the service.
