Crosswoods Drive, Oak Harbor, Plat of Crosswoods Divs. #1 and #3, to CROSSWOODS CIRCLE (same as above)

Fir Avenue, Greenbank, Plat of Greentree Div. #1, to GREENTREE DRIVE

Leaf Lane, Greenbank, shown on the plat map of Greentree Div. #1, changed to Greentree Drive (as it is a continuous roadway)

Pine Street, Greenbank, Plat of Greentree Div. #1, change to BEEJEE WAY; and

Royal Place, Oak Harbor, Plat of Patton's Hillcrest Village, Div. #1, change to CAREFREE PLACE.

Carole Croft, Permit Center Coordinator, reviewed with the Board and entered for the record, a letter with regard to the name change from Bay Street to Lopez Drive, from Dana Morphew, Dana's Mobile Carpet Steam, Clinton, Wa., indicating change in name would be costly to his business.

Commissioner Colby in considering the letter and the concerns contained therein, felt the name change was appropriate. Commissioner Caldwell agreed that it would seem better to extend a name of an existing street rather than trying to invent a new name for that small stretch.

No audience member commented either for or against any of the proposed road name changes.

Commissioner Koetje moved that the Board accept the proposed name changes as submitted by the Permit Center Coordinator this date. Motion, seconded by Commissioner Colby, carried unanimously. Ordinance to implement the changes approved this date will be provided to the Board at a subsequent meeting for signature.

A Public Hearing was conducted at 2:30 p.m. to discuss five proposals addressing the issue of long term care, a critical issue before the State Legislature in 1989.
